### Route Deviation/Demand Response Service Program

CEATS offers curbside pick-up service through its Route Deviation/Demand Response Service Program. If you are a person living within 3/4 of a mile of a bus route, you may qualify for curbside service. The fare for Route Deviation is double the regular fixed route fare.

**Trip Scheduling for Route Deviation:** To schedule a Route Deviation trip, call our Customer Service Department at 607-734-5211 between 8:00am and 5:00pm for next day service. Your request must be made by 5:00pm the day before.

**Service Appeals:** If your request for Route Deviation service is denied, you may appeal the denial by registering a complaint with CEATS by calling 607-734-5211 to register your complaint.

**Route & Stop Announcements:** The Americans with Disabilities Act of 1990 (ADA) requires the announcement of all time points and transfer points. CEATS Bus Operators will announce all such time points and transfer points listed on public schedules approximately 1/2 block in advance. Where more than one route serves the same stop, an announcement of that route by the Bus Operator will be made before the bus departs such point. Such stops are the Steuben County Courthouse and CEATS.

**On Request Stop Service:** An On Request Stop Service is available on selected routes. Places such as nursing and/or health care facilities, schools, apartment complexes, and other institutions have been established as "on request" stops. To use the On Request Stop Service, riders can either direct their request to the Bus Operator upon boarding the bus for their trip or by calling our Customer Service Department at 607-734-5211. Phone requests must be made two (2) hours in advance.

**Safety Tips:** Take a seat as quickly as possible. Never change seats while the bus is moving. Wait until the bus departs your stop before crossing the street. Refrain from engaging in unnecessary conversation with the driver. No pets, except service animals.
